Fifth grade multiplication check

Name _____ Date _____

Show the whole-number rows, fraction reasoning and decimal place value in the spaces below.

Q1 / Multiply in columns

754 × 74

Ones row

Tens row (full value)

Sum

Q2 / Name the tens row

464 × 96

Tens in the multiplier

Multiply by that value

Full tens row

Q3 / Multiply and simplify

2/11 × 7/12

Raw product

Divide both by

Simplest form

Q4 / Compare the sizes

L × 5/3 ___ L

L is positive. Compare without multiplying.

Write <, = or >: _____

Compare the multipliers and explain.

Q5 / Multiply by a whole number

7 × 0.82

Integer calculation

Combined decimal places

Decimal product

Q6 / Place the decimal point

4.7 × 1.1

Integer calculation

Combined decimal places

Decimal product
