Worked key · Match the day, part and edition code.

Part 1 of 1 · Questions 1–4

1. **Multiply by whole tens**

3 × 50 = ____

3 × 5 tens = 15 tens. 15 tens = 150.

---

2. **Multiply by whole tens**

7 × 60 = ____

7 × 6 tens = 42 tens. 42 tens = 420.

---

3. **Two-digit partial products**

Split 49 into tens and ones to solve 49 × 7.

40 × 7 = 280. 9 × 7 = 63. 280 + 63 = 343.

---

4. **Times-as-many stories**

At the library, Eli shelved 2 books. Noor shelved 6 times as many books as Eli. How many books did Noor shelve?

6 × 2 = 12. 12 books.

The larger amount is 6 copies of 2 books.
